FOR IMMEDIATE RELEASE

**Cincinnati Cyclones To Celebrate Go Green Challenge at
GO-GREEN Night on February 28th**

The Cincinnati Cyclones will celebrate the Go Green Challenge as they educate fans on green alternatives and choices at the Saturday, February 28th game versus the Elmira Jackals. The game begins at 7:30 p.m. and the doors open at 6:30 p.m. for fans to learn more about local green initiatives from Go Green Challenge participants such as Cincinnati Children's Hospital, Hewlett Packard, Cincinnati State, the University of Cincinnati, the Hamilton County Department of Environmental Services and more! The first 2,500 fans through the doors will receive a Cyclones tote bag made of recycled material courtesy of Duke Energy.

The Go Green Challenge, which began in September 2007, started as a partnership between Cincinnati Children's Hospital Medical Center, Christ Hospital, the University of Cincinnati, Keep Cincinnati Beautiful, and the Hamilton County Solid Waste Management District. The mission of the Go Green Challenge is to encourage organizations to implement environmental practices. To date, 122 local organizations have taken the Go Green Challenge.

For more information about the event please call Sarah Dowers at 946-7748. To learn more about the Go Green Challenge, visit www.hcdoes.org/gogreen.htm or call Catherine Walsh at 946-7732.
