

Hamilton County Solid Waste Management District
 Recycling Assistance Program
Incentive and Collection Container Request Form
 (Updated 11/08)

Items from the list below are available FREE for recycling education and promotional activities and events in Hamilton County. The number of items each school may receive is based on staff and administrative commitment, student enrollment, parent participation, and effectiveness. **ONLY Recycling Coordinators registered in the Recycling Assistance Program may request these items.** *To request items, please fill out this form and attach a memo describing the activity/event, date and why you think this will increase participation, efficiency, sustainability or reduce contamination of recycling bins. Fax to Solid Waste Management District, Education Outreach Programs, 946-7779*
