

Community Recycling Programs

# Strategies for Success

Assisting local governments in their recycling efforts.

Ohio Department of Natural Resources, Division of Recycling and Litter Prevention, in conjunction with the Association of Ohio Recyclers (AOR), the Ohio Chapter of Solid Waste Association of North America, the Organization of Solid Waste Districts of Ohio, the Stark, Tuscarawas, Wayne Solid Waste District and the Hamilton County Solid Waste District announces Strategies for Success. These one-day training workshops will focus on strategies for improving existing or establishing new community recycling programs. Join us and learn how to build lasting recycling strategies!

**Topics to be covered include:**

- Effective Contracting and Franchising for Local Governments
- Latest Trends in Recycling Collection
- Full Cost Accounting for Community Recycling Programs
- Strategies for Breaking the Recycling Plateau

*"I'd strongly recommend that any community wishing to add value to its programs attend one of these workshops."*
