- IV. Draft HCSWMD Vision Statement:
 - Small group (3-4 people) brainstorming, create draft vision statements – 45 minutes. *Note: during this part of the exercise, we are NOT looking for perfection or consensus. We will be looking to get as many ideas on the table as possible. Each group may create more than one statement.*
 - Break – 15 minutes
 - Post and Review draft vision statements – 30-90 minutes. *Note: during this phase, we will be looking for common key words/themes that may be present in several of the draft small group statements. These will be listed and will form the foundation of the “final” vision statement. Depending on the range of visions, this could be a lengthy discussion and may require that small groups once again form to redraft based on key themes.*
 - Write Vision Statement – 30 minutes
- V. Next Steps and Time Frame – 30 minutes.
- VI. Adjourn 12:30 – 1:30 p.m.
